**Em G A**  
You gave it all  
**G Em**  
For my unrighteousness  
**G A**  
When most turned against  
**G Em**  
You fought for all of us  
**G A**  
You gave it all  
**G Em**  
So we can be set free  
**G A**  
You're not calling for religion  
**G Em G A G**  
You want You and Me

**Em G**  
In a world filled with darkness  
**Em G A**  
Your message is Truth and Love  
**Em G**  
Betrayed by those you came to save  
**Em G A**  
Stood strong with strength from above
